

Welcome – to the family of God

Welcome to a place where we share Christian content and grow together in faith. At the heart of this ministry is one important idea: we are the family of God. When a person comes to Jesus, he is not left alone, he becomes part of the family of God, where brothers and sisters walk together.

We share the word of God and create Christian content that encourages, strengthens and supports spiritual growth. We want to build a community where God's children can grow in faith, find hope and deepen their relationship with the living God and our Lord Jesus Christ.

We build the family of God together

Our goal is to produce Bible-based teaching, prayer content and visual materials that help people grow in faith. We want everyone to be able to feel that they belong to the family of God, a community where we encourage, pray for each other and walk together in God's guidance.

All our work is done voluntarily and with a heart of service. We want to act under the guidance of the Holy Spirit and be part of the work that God is doing in the world. In God's family, everyone has their place and gift, and together we can share God's love.

Content for spiritual growth

We offer Christian quotes, prayer cards, visual spiritual materials and digital resources based on the Bible and Christian faith. Through these, we want to encourage members of God's family to stop and reflect on God's presence even in the midst of everyday life.

Our content is intended to support personal prayer lives, but also for use by congregations and Christian communities. We want the word of God to touch people in many different ways, through texts, prayers and visual materials.

Call to serve in God's family

If you feel a call in your heart to serve God through creativity, prayer, communication or volunteer work, you are warmly welcome to join. In God's family, everyone can serve with their own gifts. This ministry is built on connection, prayer and the desire to share God's love. Together we can build God's family, a community where faith is strengthened, hope grows, and the love of Jesus becomes visible in the world.
